Six under 14 squads competed in Marlborough RFC's sevens tournament today. North Swindon's Supermarine team battled through to a well deserved third place, defeating Oxford Harlequins 20-12 in a fiercely contested final match to win the Bowl.

On the way, they had to play 5 other demanding games. The day started with a loss to the eventual tournament winners, Wooton Bassett, and a very close loss (12-10) to the eventual runners-up, Fairford. But from then on, Supermarine won every match they played, defeating Marlborough, Oxford Harlequins and Newbury in order to qualify for the Bowl Final, where they emerged triumphant.

All the boys learned a great deal as the day progressed, with the team visibly gaining confidence and understanding of the tactics needed for sevens play. Substitutions and different starting line-ups meant that every squad player gained experience of this fast and furious version of rugby. Head coach, Mick Walford, was delighted with the effort and commitment on display.
