LADIES SECTION

Supermarine - 5 Richmond - 35

Supermarine hosted Richmond on Saturday (13th February 2010), which despite the score, was a closely fought game. Marine were caught on the back foot in the first half, Richmond starting quicker from the blocks and running in two tries, displaying some great support play. Marine fought back and kept a steady ship through the rest of the first half, scrummaging well and making ground in the mauls, but finding it difficult to penetrate the Richmond defence, who were up very quick to mar the Supermarine attack.

The second half started better with Marine sneaking in a try with an interception from Steph Watts to put it over the try line. Unfortunately tired legs from Marine, with the bare 15 players on the day and some speedy backs from Richmond saw the away side put away some breakaway tries, their 22 member squad proving its worth.

Supermarine play St Mary's Old Boys on the 28th Feb at home.

Tries - Steph Watts x 1

Players of the Match - Claire Chard, Sammy Way

SENIORS SECTION

Seniors benefit from Youth Section Players

Throughout this season we have had the benefit of some of our young players coming through into the senior ranks. Within the last month we have had Declan Labrosse, Steve Hartman, Jake Wojtkowicz, Dan Smedley, Pete Mabbott and Alex Robinson from the current Colts all play for either the 1sts or Seconds and four of these young men earned "Man of the Match" awards in the process! Looking at the current squads no less than 10 players are from our Colts over the past two seasons.

The Colts are now fully integrated into training with our Seniors on a Thursday evening and we are all seeing the benefit of that as the weeks progress. If any Colt hasn't signed their papers to train up, please do so as soon as possible and join this new stream of youth moving into full senior rugby.

2nd XV - Corsham III (Away)

Grand Gym Opening

On the **10th April 2010** we have a very special day lined up for Supermarine. Not only will both the senior sides be playing at home, we will also be holding our "Sponsors Day" where we get the chance to say thank you to those people and businesses who have supported us this season and in addition we will be formally opening the Gym!

We are expecting a very special guest on the day to open it for us and we will provide more details nearer the day, but book this one out in the diary - it promises to be a very special day for the club.
